THE WASHINGTON STATE PITA

Welcomes you to

THE 2020 WASHINGTON STATE CHAMPIONSHIPS

The 2020 WSPITA Board of Directors and the Evergreen Sportsmen's Club would like to welcome everyone to the 87th Washington State Trapshooting Championship.

WSPITA is very fortunate to have the support of individuals and companies who have generously provided sponsorships and donations to our state shoot. You can see a list of these folks within the program. When you run across them during the shoot, give them a big thank you. Also, I would like to encourage all of you to attend our General Membership Meeting on Friday @ 8 am. During this meeting, we will elect three new members onto our WSPITA Board of Directors. If you are interested in serving on our board, please contact one of our current board members for details. The Board of Directors will again host the Shooter Appreciation Dinner to be held on Friday @ 5 pm, then the Hall of Fame Ceremony begins @ 7:30 pm. Come out and help us honor this years' inductees!

We are excited to hold a Youth Fund Raffle again this year with prizes to be drawn during our Trophy Presentation on Saturday @ 7 pm. There are lots of fun and exciting prizes to be given away. It takes a lot of work and effort to put on a first class shoot and I would like to thank all of our Board Members for the amount of time they put into running our state shoot considering it's all voluntary. The Board is always open to suggestions to improve the annual Washington State Shoot. Please feel free to contact any of the Directors and give us your ideas.

So, the bottom line is to be safe, have fun and shoot well!

Rusty Bunn

WSPITA President

~~~~~

This is to certify that the Evergreen Sportsmen's Club has been authorized to hold a registered shoot at Littlerock, WA on July 8, 9, 10, 11, and 12, 2020. The Pacific International Trapshooting Association rules will govern all events and scores will be included in the official record.

**Kay Klundt, PITA Secretary**

## **GENERAL INFORMATION**

Registration begins on Tuesday, July 7, 2020 from 2:00 pm to 5:00 pm. The office will be open each morning at 8:00 am, starting Wednesday, July 8, 2020. Advance Squadding available through: [PreSquad.com](http://PreSquad.com) (page 21). Pre-squadding will open on **May 10, 2020** and go through **July 3th, 2020**. If you have any questions, please contact: Bob McLendon (509-216-3033). Entry fees will be in U.S. currency, American check or Canadian check in U.S. funds (NSF fee \$35.00). A \$5 pre-squadding fee will be paid at registration at the shoot. Shooters requesting squad changes after the shoot begins will pay a \$10.00 change fee.

**Refunds** – No entry fees, purses or options, will be refunded after an event has started.

**Payoffs** – All payoffs will be paid by check and mailed to shooters after this shoot ends. Check event payoff sheets prior to the start of the last event for any questions.

**IRS REGULATIONS** – Before checks over \$599.00 can be distributed, the IRS requires form W-9 to be completed. Please furnish this information to the cashier or the WSPITA Treasurer.

**Three Minute Call** – Be ready to shoot when your squad is called. **The squad will be held no more than 3 minutes, after which time you will need to re-squad, subject to a \$10.00 fee.** Re-squadding will be on the same bank as the original, if possible. Ten (10)minutes will be allowed for gun breakdown.

No shooter will be called on the loud speaker. **STRICTLY ENFORCED!**

**Short Squads** – Short squads will be avoided when possible. A referee will accompany one and two person squads.

**Target Setting** – Targets will be set each morning according to PITA rules. Targets will only be reset if the setting changes present a significant variation. All resetting of targets must be done by authorized personnel.

**Handicapping** – PITA rules govern. It's the shooter's responsibility to show both PITA & ATA average cards to determine handicap yardage assignments. Your PITA card should be complete with all scores entered through the last shoot you attended, with averages computed on the last **1000** Singles and Doubles. Personnel at the handicap table will assist you if necessary. A shooter who is an ATA member, and is joining the PITA for the first time will be assigned yardage equal to their ATA yardage. If a shooter has assigned yardage in both the ATA and the PITA, the greater yardage will be assigned. At State/Provincial and Grand Pacific Championship tournaments, all shooters who have **NOT** shot at the below listed quantity of PITA registered Singles and Handicap targets during the current and previous year combined, shall be assigned penalty class and/or yardage as follows:

**Ties** – All ties in preliminary events will be decided by a shoot off, unless all parties decide to carry over. All Championship events will be decided by a shoot off.

**Shoot Offs** – **One call ONLY.** Contestant must be available at the shoot off table within five minutes after being called for shoot off or will forfeit all rights herein. Look for posting on bulletin board. Any **SUB-JUNIOR (SJ), JUNIOR (JR), LADY (LD), VETERAN (VT), Senior (SR), ELDER (EL)** shooter must declare for which trophy they wish to compete for prior to entering into a shoot-off. One trophy **ONLY** may be won.

**Special Categories** – Prior to shooting each event, if you qualify in any special category, i.e. Lady, Veteran (65-69), Senior (70-74), Elder (75 and older), Junior (15-17), or Sub-Junior (under 15), please check your handicap sheet and score sheets to make certain your name shows the proper symbol for eligibility. Failure to do so within 10 min after the last score is posted will disqualify you from options AND trophies. Must be two or more shooters in a category for a trophy to be awarded.

**Chair Classification** – An eligible shooter in the Chair Classification shall be a shooter who is physically disabled and due to such physical disability is required to be seated in a cart or wheelchair while shooting.

**Shooter Responsibility** – A shooter must shoot in the proper class and at the correct yardage. An error at the handicap table does not excuse any shooter from this responsibility of knowing the rules.

**Please read your program and current Rules Book. KNOW THE RULES...do not put all the responsibility on the referee when you are shooting!**

**Earned Yardage** – If you earn yardage during the shoot, you must check with the office. It may be necessary to re-squad you.

**Class Winners and Ties will NOT be advanced to the next class on all events.**

**Errors in Scores** – Scores must be contested and settled before the shooter starts shooting on the next post, otherwise the score must stand.

**Cross-Registration** – Targets may be cross-registered with the ATA, subject to all the fees, rules, and requirements. The shooter must be a current member of the ATA and pay appropriate ATA daily fees and target fees. Earned yardage will be awarded according to the rules of the PITA and will apply directly to all cross-registered targets. Cards of **BOTH** associations will be punched from the yardage shot.

**Orange** White Flyer black-rimmed targets will be utilized for all registered events and shoot offs.

**Pets** “must” be kept on a leash. Please don’t allow them to forage on deceased critters, and remember to pick up after them... no land mines!

## CLUB TEAM COMPETITION

All Washington State club team members must be posted on the sheet provided on the bulletin board prior to 9:00 a.m., Saturday, July 11, 2020. One Washington State “at-large” team will be allowed. Club team members must be current members of their respective PITA clubs, prior to the 2020 State Shoot. The club must have thrown PITA targets. The “At-Large” team is set aside for PITA members who shoot PITA targets but live in areas where there are no clubs throwing PITA targets, such as South Eastern Washington and North Eastern Washington. If two or more shooters sign up for the “at large” team in any class the WSPITA Board of Directors will draw lots to resolve the final “at large” team. Each four shooter team will be comprised of one shooter from each class (AA) (A) (B) (C) or (D). A shooter in a lower class may substitute for a higher class shooter. Example: a “B” shooter can fill the “A” or “AA” billet. Washington State clubs may enter as many teams as they can man. A shooter may only be on one team.

### *What we do!*

Supporting the future of trapshooting and the PITA is our top priority. That future is our youth shooters and the parents that support them. Our aim is to help mitigate some of the cost it takes to support a young shooter in today's economy. For over 87 years the PITA has strived to further youth shooting through promotions, raffles, and generous donations. We have received exceptional support again this year and we are excited to roll out this years' benefits.

### **Dave Wade - Hall of Fame Inductee**

Dave was born in Nelson, B.C. Dave has been a PITA member for 48 years! His first introduction to trapshooting was by his dad at the age of about 12. He started out with a 20 gauge single shotgun. His first registered targets were in 1985 near Campbell River on Vancouver Island. Dave has racked up Countless Championship awards over the years, including HOA and HAA

Championships, BCTA All Star Team 21 times, and the PITA All Star Team 5 times!

At the Pacific Grand at Evergreen in 2014 Dave shot a perfect 100 in doubles to win the event!

Please come out and help us celebrate Dave's remarkable success!

Our congratulations goes out to Dave Wade for his induction into the Hall of Fame!

The WSPITA Board of Directors

## **Come visit the Hall of Fame Center**

The Hall of Fame Committee encourages you to visit the Hall of Fame Center at Evergreen Sportsmen's Club. There are pictures as well as "bios" of all the inductees over the years. There is a wealth of memorabilia and information for those interested in the history of the Hall of Fame.

The Hall of Fame Committee encourages everyone to visit them on the website at [www.shootpita.com](http://www.shootpita.com).

There you will find the forms necessary for nominating both shooters and contributors to the Hall. You will also find all of the past winners!

### **Leo Pike - Hall of Fame Inductee**

Leo's lifetime of target shooting began when he attended his first turkey shoot in 1967. He joined the PITA in 1973 as a lifetime member. Since then he has shot over 300,000 targets! His wife, Karen, has shot over 260,000, the 1st woman to reach 250,000 in the PITA & the most for a husband and wife. Leo became the PITA BC Handicap Chair in 1982 and remained for over 35 years. Leo was involved in the Milestone certificates and a variety of other PITA tasks. Leo was always available to help in

any way possible with guns, traps, or fixing up a motorhome—if he couldn't fix it, he knew someone who could. His knowledge of the PITA rules were paramount. Sadly we lost Leo on 10/29/19. He is survived by his loving family. Please come help us celebrate his life long achievements!

The WSPITA Board of Directors congratulates Leo on his induction to the Hall of Fame.

## PRESIDENT'S MESSAGE

Dear Fellow Trap Shooters and Guests,

Welcome to the 2020 WSPITA Championship State Tournament!

We are honored to host you at the Evergreen Sportsmen's Club (ESC).

Our primary goal is to offer you an outstanding and rewarding experience.

ESC staff, WSPITA Board members, and volunteers from other clubs are working hard to ensure a great tournament.

A few items to note:

- **SCORING:** The dance team will be back this year with mistake free scoring
- **TRAPS:** Scott Davis from ESC will be running the line to make sure traps are in good working order
- **OFFICE:** Laura and Monique will be in the front office to answer questions and assist you in establishing camp sites, using the practice trap, etc.
- **TARGETS:** The Target Setting Committee of: Rodger Tiegs, Boone Heinz, and Nathan Teesdale from Sumner Sportsmen's Association, as well as the Trap Mechanics, will ensure your targets are set and at the prescribed speed, height, and angle to aid you in your 100 straights
- **AIR CONDITIONERS:** Due to the electrical restrictions, they can only run on your generators.

Finally, please find a moment to thank your hardworking staff and the volunteers. Their commitment makes this shoot possible.

Sincerely,

Ron Hull

President, ESC
