FINAL SHOOT OFFS

Jerry Anguili

His resume began many years ago, as early as 1947 when he joined the Port Angeles Gun club. The club in the late 60's was in danger of closing, when Jerry and a few others started to open the club under new management. Under Jerry's leadership and sometimes lending money to keep the doors open he started to instruct new shooters and the local high school FFA trap team. His work at the club was to procure and maintain equipment, grounds, and advocate against the highway dept. to route a road thru the property which would have eliminated the facility.

Jerry was also instrumental procuring guns thru the NRA, working with the Clallam sheriff's dept. and Sequim high school for instruction and safe gun handling. Some of his students went into the military to achieve marksman rating, and one was a leader of a Stryker division in Afghanistan and is now a Seattle police officer. Other former students have thanked him for their early instruction in safety and marksmanship.

Jerry's service to the PITA has been a Washington director and president of WSPITA, for 22 years, and PITA executive board as vice pres., treasurer for 4 years, rules committee, and President in 1992. He served as Washington state handicap chairman for 14 years. In addition to the service years, he has also shot over 200,00 targets. In 1980 at the Grand Pacific in Stockton California he was HOA runner up to another 2018 inductee, Dan Bonillas.

Thank you for your service, years and years of dedicated service to the sport of trapshooting!

This shoot off will take place at the end of the day, and will be conducted at each shooter's yardage. Miss and you're out, last shooter standing wins the gun! **PITA rules apply to shooter's shells and loads.

GENERAL INFORMATION

Advance Squadding available through: [PreSquad.com](https://www.presquad.com) (page 19). Pre-squadding will open on **May 1, 2024** and go through **July 5th, 2024**.

Entry fees will be in U.S. currency, American check or Canadian check in U.S. funds (NSF fee \$35.00). A \$5 pre-squadding fee will be paid at registration at the shoot. Shooters requesting squad changes after the shoot begins will pay a \$10.00 change fee.

Refunds – No entry fees, purses or options, will be refunded after an event has started.

Payoffs – All payoffs will be paid by check and mailed to shooters after this shoot ends. Check event payoff sheets prior to the start of the last event for any questions.

IRS REGULATIONS – Before checks over \$599.00 can be distributed, the IRS requires form W-9 to be completed. Please furnish this information to the cashier or the WSPITA Treasurer.

Three Minute Call – Be ready to shoot when your squad is called. **The squad will be held no more than 3 minutes, after which time you will need to re-squad, subject to a \$10.00 fee.**

Re-squadding will be on the same bank as the original, if possible. Ten (10) minutes will be allowed for gun breakdown.

No shooter will be called on the loud speaker. **STRICTLY ENFORCED!**

Short Squads – Short squads will be avoided when possible. A referee will accompany one and two person squads.

Target Setting – Targets will be set by the **Target Setting Team** each day according to PITA rules.

Targets will be reset ONLY if the setting changes present a significant variation. All resetting of targets must be done by authorized personnel.

Ties – All ties in preliminary events will be decided by a shoot off, unless all parties decide to carry over. All Championship events will be decided by a shoot off.

Shoot Offs – **One call ONLY.** Contestant must be available at the shoot off table within five minutes after being called for shoot off or will forfeit all rights herein. Look for posting on bulletin board. Any **SUB-JUNIOR (SJ), JUNIOR (JR), LADY (LD), VETERAN (VT), SENIOR (SR), ELDER (EL)** shooter must declare for which trophy they wish to compete for prior to entering into a shoot-off. One trophy ONLY may be won.

Special Categories – Prior to shooting each event, if you qualify in any special category, i.e. Sub-Junior (under 15), Junior (15-17), Lady, Veteran (65-69), Senior (70-74), or Elder (75 and older) please check your handicap sheet and score sheets to make certain your name shows the proper symbol for eligibility. Failure to do so within 10 min after the last score is posted will disqualify you from options AND trophies. Must be two or more shooters in a category for a trophy to be awarded.

Handicapping – PITA rules govern. It's the shooter's responsibility to show both PITA & ATA average cards to determine handicap yardage assignments. Your PITA card must be complete with all scores entered through the last shoot you attended, with averages computed on the last **1000** Singles and Doubles. Personnel at the handicap table will assist you if necessary. A shooter who is an ATA member, and is joining the PITA for the first time will be assigned yardage equal to their ATA yardage. If a shooter has assigned yardage in both the ATA and the PITA, the greater yardage will be assigned. At State/Provincial and Grand Pacific Championship tournaments, all shooters who have **NOT** shot at the listed quantity of PITA registered Singles and Handicap targets during the current and previous year combined, shall be assigned penalty class and/or yardage as follows. Please refer to page 8.

Shooters, Guests, Vendors and Visitors,

Evergreen Sportsmen's Club is excited to you back for the 2024 WSPITA Championship State Tournament.

Our Staff, our Volunteers and our Board are all excited to work side by side with WSPITA to make this another amazing event.

We have had a small changing of the guard since the State last year. Both Ron Hull and Joel Ball have stepped down from the Board, but are still very involved with ESC to help make sure these events will run smoothly. Their work in years past to secure ESC as the place to be for events such as these will help us continue to provide an amazing event for you to enjoy.

Scott Davis also retired after 15 years of being our operations manager. We have filled his spot with Jeremy Snider, who we lured from the Spokane Gun Club. Jeremy is doing an excellent job of filling Scott's shoes and we hope you will see some improvements when you visit us. Even better is we are working with Scott to have him be around for the State shoot to help make sure that everything is done to the level that you expect!

If you are a vendor, please reach out to me asap to make sure I can reserve you a space for you to sell your wares.

While we are upgrading our electrical systems, we still need to make sure you are aware that air conditioners can only run off of generators. Please do your part to keep our system (and the traps) online. We also ask that you only park in your designated and reserved space. All RV Reservations are to be made via our online reservation system: <https://www.campspot.com/book/shootevergreen>

We are all looking forward to being your host for another amazing event!

Dan Solie  
President - Evergreen Sportsmen's Club

## **THE WASHINGTON STATE PITA**

**Welcomes you to the**

### **2024 WASHINGTON STATE CHAMPIONSHIPS**

As many of you know, this has been a year of uncertainty for the WSPITA. However, because of you, our shooters, donors, advertisers and sponsors, we are in a much better financial position. Due to lower attendance on Wednesday, we have removed that day as part of the state program and have added instead the Washington doubles league and PITA doubles challenge on that day.

When you look at our program this year, you will see that the target prices have risen more than normal. The cost of targets and the cost of labor for scorekeepers and trap loaders has risen considerably, which has forced the Board to raise target prices to assure enough return to keep putting on the state shoot in the future. Unfortunately, the past several years of the state shoot have consisted of massive losses for the WSPITA, significant changes must be made to continue having the PITA in Washington State. It's not about making money, we are just striving to break even, and hopefully put a little away for next year's State Shoot.

Please plan to attend the General Meeting on Friday the 12<sup>th</sup> at 8 AM. If you have any questions or concerns, please let us know. We will have our shooter appreciation dinner on Saturday at 5 pm. It will consist of a spaghetti dinner with a dessert potluck. On Saturday we will have our awards ceremony at 7 pm, honoring the winners, awarding silent auction items, high average team awards, and milestones. We will also raffle prizes for our youth program.

Good Luck Shooters!

Dan Miller

WSPITA President

# THANK YOU ALL FOR COMING!!!

Whether you're a novice or an advanced shooter, having a firm understanding of the basics and fundamentals will certainly enhance your clay target shooting success and enjoyment. Clay target shooting is gaining in popularity across Europe and America, and especially here in the Great Northwest and the Seattle area. Whether it's a small club shoot or a major national tournament, clay target shooting (in the form of Trap Shooting, Skeet Shooting, 5-Stand, or Sporting Clays) is something the whole family can enjoy doing together!

Men, women, and kids of all ages are getting hooked on the thrill and excitement of going out to their local gun club for a fun afternoon of turning clay targets into chips and dust balls. I can provide you with a clear understanding of how each of the target games are played, and how to enjoy shooting them safely, correctly, and with success right from the start.

Again, having a solid foundation in the basics and fundamentals of shooting clay targets will certainly ease that first-time intimidation or frustration you may have. If you want to get the most out of your shooting experience, both in the field or on the range... let me help you! Just give me a call.

# **G-SQUARED** *REDUCE RECOIL* with the patented **SHOCKMASTER**

*Sliding comb recoil reduction system*

## **G-SQUARED HAS MOVED!**

We are now located in Post Falls, Idaho, near Coeur d'Alene and Spokane, Washington. Please see our website for exact address. Our phone number has NOT changed!

The Most Effective Recoil Reduction  
System in the World!

*The most accurate  
& precise recoil  
reduction installation  
work available today!*

**Starts at \$945** (most shotguns)

- Will fully return before you can squeeze off a second shot, without a 'bounce effect', making it ideal for doubles.
  - Typically less than 3 ounces added weight (plus 2-3 ounces for the optional adjustable recoil pad). G-Squared will weigh and report weight change upon request.
  - Won't easily pre-collapse like many hydraulic based systems, no "magnet lock" necessary.
  - Reduces the peak force on the recoil curve by 70% or more - always did, always will!
  - Air Cushion™ recoil reducer (Patented)
  - Air Pressure adjustment without disassembly, so you can quickly adjust it to your shooting style and mount.
  - This system is lighter in weight than its competitors, and because it uses air is also softer than its competitors and is extremely durable and dependable.
  - Installer/owner personally does all work and has Over 30 years in the business!
- Product introduced by G-Squared in 1988!
- Conversion from field to parallel comb, Monte Carlo stock available, often at no extra cost
