## Evergreen-Servpro Mini Magnum

### Current Pot \$263, \$10.00 Option

- Functions similar to the magnum option, however, it is only a requirement to break 49 out of 50 or better for either the front 50 or back 50 ONLY. The middle 50 or any other combination do NOT count.
- Winners gets 50% the pot for the corresponding front or back 50
- If the starting pot is \$1,000.00 total, \$500 for Front 50 and \$500 for back 50. Day's entries will also be included.
- If more than one shooter qualifies in the same event for same 50 (front or back), they will split, meaning they will split the \$250, not the total pot. No more than 50% of the pot for any given 50 can be won in an event.
- **Example 1:** Bob breaks a 49 (24, 25) on the first 50. He is entitled to 50% of the pot for front 50. He wins \$250 + days entries.
- **Example 2:** Bob and Tom both break 49 on the first 50. They would split 50% of the pot for the front 50. Bob would get \$125 and Tom would get \$125 + day's entries.
- Big thanks to ServPro and John Gustafson for getting the donations together!
