

50 TARGET EVENT EARNED YARDAGE

CURRENT RULE:

50 Target Handicap Events				
High Score and all Ties:	1st	2nd	3rd	4th
10 or more shooters	½	0	0	0

A score of 50 in a 50-bird event earns a ½ yard punch regardless of the number of shooters. NOTE: When a shooter ties for high but loses the shoot off, he/she still earns the same punched value as the winner.

If a 50 bird Multiplex event is conducted within a 100-bird handicap event, it shall be considered an "option". Yardage advance will be awarded first on the 100-bird event. Yardage advances for those entering the Multiplex "option" shall apply to any shooter not earning yardage in the 100-bird handicap event. In no case, will more than one yardage advance be awarded to the same contestant. Those entered in the Multiplex "option" and earning the automatic yardage by scoring 50, shall be advanced one-half yard at the conclusion of the 100-bird handicap only if not earning yardage in that event.

PROPOSED CHANGE:

50 TARGET EVENT EARNED YARDAGE

REASONING:

The Multiplex is essentially a giant event. As you can see from the chart below, we have anywhere from 242-443 shooters in each event over the last 12 months. An average of 336 shooters. In a regular, 100-target event, with 336 shooters, the punches would be 2 – 1 – 1 – 1/2. This proposal is limited to just the first and second places and only punches 1 and 1/2.
