**HELP
WANTED**

Scott Davis, our long-term manager has notified us that he and Monique will be retiring after 15 years at Evergreen. The Evergreen Board wishes them nothing but the best. Scott has been a cornerstone for years. Their plans are to work through the summer shoots and begin traveling in the September time frame. When you get a chance, please wish them well.

That being said, the search has begun to find a replacement. We asked Scott to clone himself, but he said that was a talent he hadn't conquered.

This is a salary position, reporting directly to the club president. The club is currently open four days a week; as events arise however, flexibility to handle unforeseen tasks will be necessary. For all activities and every function, safety protocols will be the overriding influence. A manager for approximately 290 acres, which houses several structures, 130+ camping spots, home for 8 different shooting venues including a 14 bench rifle/ pistol range, a sporting clay course, skeet houses and 27 trap houses. We are looking for someone who has experience with Pat-traps and Promatic traps and their functions, both mechanically and electrically. Mechanical talents, including basic electrical, plumbing, with welding experience a plus and general maintenance for both the facility and equipment which includes mowers, tractors and multiple hand equipment. On site housing is included. If you have these attributes and are a self-motivated individual, please submit your resume to: Evergreen Sportsmen's Club; attention Ron Hull; 12736 Marksman Road SW; Olympia, WA 98512-9200

CASHIERING

Evergreen Sportsmen's Club has invested in the 3S software from Straight Score LLC. Bob McLendon will be training Evergreen personnel during this shoot on that software.

PITA Registration Certificate

This certifies that Evergreen Sportsmen's Club has been authorized to hold a registered shoot May 21st, 22nd & 23rd, 2021. The Pacific International Trapshooting Association rules will govern this shoot. Scores will be included in the official records. This is an invitational shoot. Management reserves the authority to reject, refund or disqualify any contestant who, in our judgment, interferes with the conduct, accuracy or sportsmanship and or harmony of the shoot.

Evergreen Management has the right to change the program, all or in part, without notice.

Supporting The PITA—J.D. Angiuli

**From the Evergreen Sportsmen's Club's
Board:**

To our members, the WSPITA, PITA and our fellow shooters, we would like to express our thanks, without you, these shoots wouldn't be possible.

We would like to give special recognition and say thanks to all of our sponsors and advertisers. I would encourage everyone who has a need that could be rectified by one of our sponsors to, at least, give them an opportunity to consult with you. It goes without saying, these sponsors fall into the same category as many other businesses in the year of the COVID-19 pandemic. They have suffered the same consequences and even so, have decided to support our efforts to present shoots to you that are enjoyable and exceed your expectations.

Thank you!
