

# WSPITA FIRST PITA SHOOT GRANT APPLICATION

We are pleased to be able to offer gun clubs in Washington State that have not held a registered PITA shoot in the last 24 months an opportunity to apply for a \$500 grant. This is to encourage clubs that are either new to PITA or maybe have held registered shoots in the past, to throw registered targets. This grant can be used for trophies, added money, trap help, or whatever the gun club may need to host a registered shoot.
