STUDENT PARKING Decal #: _____ Parking Slot Assignment #: _____

1. The assigned parking decal must be displayed on the rearview mirror or dash.
2. All spaces are assigned and the driver must park in the assigned space. If someone else parks in your assigned parking space, park in the unmarked area in the front-center of the lot by the trees and report the infraction. Do not park in someone else's marked parking space.
3. Vehicles found in the parking lot without an assigned decal or in an unauthorized parking space will be owed at the owner's expense. This is private property and we monitor it daily.
4. If the driver is found to be operating the vehicle in an unsafe manner, or if Post property is damaged during operation, the drivers pass will be revoked and the driver will be held accountable for any damages. The lot is turf and easily damaged - do not spin your tires.
5. Please help keep the lot clean. Litter found in your parking area will be noted and your parking privilege may be revoked.
6. If the driver temporarily needs to change vehicles, place the parking pass on the inside rearview mirror or dash and park in your assigned space.
7. If you change vehicles on a permanent basis, contact the Parking Coordinator with tag number and vehicle description. You must carry liability insurance to park at the Post.
8. The Oviedo American Legion Post 243 is not responsible for theft or any damages to your vehicle while in the parking lot.
