*Marc Stockwell will be remembered as a devoted fan of golf who was responsible for originating this Veterans' golf tournament in 2015, as well as the annual Autism Speaks tournaments from 2011-2016. He successfully ran these events with great energy and enthusiasm and will be truly missed. Marc was not a veteran but had the utmost respect for those who were. He wore his country's colors proudly and always represented our flag. He was a patriot and loved his family.*

### OVIEDO VETERANS' TRIBUTE

The Oviedo Veterans Tribute honors the courage and sacrifice of those who served or are serving in the armed forces of the United States of America and provides the citizens of the Oviedo area a place to remember and thank those veterans who committed themselves to protecting our rights and freedoms.

#### 'The Fountain of Service'

"Military branches are presented on polished granite blocks. Water flows from each into a common trough, moving slowly and seems to disappear into the lake. This represents the idea of honorable separation and sacrifice.

"The Tribute is situated on Center Lake with grassy areas nearby. Names of veterans will be etched on a low wall across from The Fountain of Service. A small stage is adjacent to the site."
