The Buddy Walk® was developed by the National Down Syndrome Society in 1995 to celebrate Down Syndrome Awareness Month in October and to promote acceptance and inclusion of people with Down syndrome. The Buddy Walk has grown from 17 walks in 1995 to nearly 300 walks planned for 2018 worldwide. In 2017, more than \$14 million was raised nationwide to benefit local programs and services, as well as the national advocacy and public awareness initiatives of NDSS that benefit all individuals with Down syndrome.

The first annual Downtown Buddy Walk of 2018 will include many special activities including activities for the children. We are partnering with Downtown Second Saturday and NDSS who will receive a portion of the proceeds. Please join hands with us in supporting our Homies with extra Chromies.
