

We're On Our Feet to Beat Childhood Cancer

PLEASE MOVE WITH US BY SPONSORING **iDance4aCURE**

Dance Community Unite in #OURFIGHT

Cancer is the leading cause of death by disease in children.

We Must Do More!

Childhood cancer is complicated

and kids need less toxic treatments tailored specifically to them.

43 kids diagnosed each day

Only **4%** of federal funding is allocated to childhood cancer research.

This means funding from other sources is critical!

Kids are worth more than 4%

Our goal is to raise

\$1,000,000
