Re: 2026 Annual Hydrant Flushing

Due to forecasted overnight low temperatures, the Elmira Water Board has temporarily adjusted the 2026 Annual Hydrant Flushing schedule to help prevent freezing conditions and protect the water distribution system. **There will be NO hydrant flushing from Tuesday, April 7th at 9pm through Wednesday, April 8th at 5am.**

Flushing will resume on Wednesday, April 8th at 9pm.

An updated 2026 Annual Flushing schedule is available on our website:
<https://elmirawaterboard.org/hydrant-flushing>.

We appreciate your understanding.
