

ELMIRA WATER BOARD
AMOUNTS FOR RESIDENTIAL
WATER METER REQUIREMENTS

Residential Meters - Purchase Quantities

The Elmira Water Board is seeking bids for the purchase of Sensus iPERL meters over a two-year period. The total number of meters purchased could be up to twelve thousand one-hundred-seventy-five (12,175). Twelve Thousand (12,000) **5/8 inch x 3/4 inch meters** and One Hundred Seventy-Five (175) **1” meters**. The Elmira Water Board does not make any representation, warranty or guarantee as to the quantity of meters it will purchase from the lowest responsible bidder to whom Elmira Water Board awards the purchase contract. By submitting a bid, the bidder understands and if the purchase contract is awarded to it, the bidder agrees that the bid specification and the purchase contract do not and will not obligate the Elmira Water Board to purchase a specified number or minimum quantity of meters during the term of the contract.

The unit bid price submitted by the successful bidder shall remain fixed for the entire term of the purchase contract.

Purchases made will be a minimum quantity of 5,000 meters. Purchases and deliveries will be made in lots of one thousand (1,000) meters, FOB, Elmira Water Board Meter Shop, 760 Bonview Street, Elmira, New York 14905.
