

Canadian Nursery Landscape Association
Association Canadienne des Pépiniéristes et des Paysagistes

Jackery
Solar Generator

-FOR IMMEDIATE RELEASE-

Milton, Ontario - September 9, 2024 - Jackery, a global top-selling solar generator brand, is thrilled to announce its new national partnership with the Canadian Nursery Landscape Association (CNLA). This exciting collaboration aims to provide CNLA members exclusive discounts on select products.

Today, CNLA members can take advantage of these exclusive offers by logging into their member portal at www.cnla.ca/login. Once logged in, members will find a variety of discounts on top-rated Jackery products designed to enhance personal and professional power needs. Full details of the discounts are available upon login.

“Partnering with Jackery allows us to offer our members access to top-quality portable power solutions that can help them stay efficient and sustainable in their work,” said Kevin Nauss, CLHM, Chair of Member Services for CNLA. “We are thrilled to bring this exclusive opportunity to our members, enabling them to benefit from innovative technology that aligns with our green values.”

CNLA members are encouraged to contact the member services department at memberservices@cnla-acpp.ca to learn more about this partnership and its benefits. The dedicated team will gladly assist with any inquiries and provide additional information about the program.

About Jackery

Jackery is a leading global solar generator brand, with more than 3 million units sold worldwide between 2018 and 2022. Jackery offers an array of portable power supply solutions, including solar generators, portable power stations, and solar panels.

About CNLA

The Canadian Nursery Landscape Association (CNLA) is a national not-for-profit federation of nine provincial landscape and horticulture associations representing over 4,200 members. Comprised of thousands of locally owned companies that grow, sell, design, install, and maintain plants and other landscape features, our members represent over \$14 billion in economic impact in Canada.
