

IMPORTANT NOTICE

January 27, 2021

Dear Parent(s)

We will be returning to our on-campus hybrid instruction schedule on Monday, February 1, 2021 (8:45am to 1:15pm). Students will be resuming their individual on-campus schedules (red/green calendars) at this time. We will be contacting transportation departments to ensure student transportation arrangements are in place.

In the meantime, we ask that you continue to monitor for the signs and symptoms of COVID-19. Symptoms can include but are not limited to fever, cough, shortness of breath, sore throat, chills, fatigue, headache, congestion or runny nose, diarrhea, nausea/vomiting, and new loss of taste or smell.

We understand the level of concern regarding COVID-19. We encourage parents and students to continue to follow the Centers for Disease Control & Prevention promoted safeguards, such as:

- Staying home when you are sick;
- Washing hands often with soap for at least 20 seconds;
- Covering coughs and sneezes and properly disposing of tissues;
- Limiting close contact with people who are sick and not sharing food, drinks and utensils;
- Practicing social distancing (staying at least 6 feet apart);
- Wearing a mask while in school; and
- Continuing to monitor your health for symptoms.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern.

We know that a confirmed case can be concerning; however, we have taken significant steps to ensure everyone's safety and to mitigate the chances of exposure within our school. We all must remain vigilant outside of school and continue to practice safety measures to avoid the spread of COVID-19. Below you will find additional resources.

Please keep in mind, the nature of COVID-19 requires the school to be mindful and aware of health and safety conditions that may **change quickly**. In the event modifications need to be made to our school schedules or return to campus, you can be assured we will contact you as soon as possible. **Please continue to check our Facebook page and emails for any updates.**

We are super excited to return to campus on Monday and look forward to resuming our mission to our student's in-person and onsite!

Below are some resources regarding COVID-19 that might help provide you with additional information:
