#### GARDENERS PRAYER

*Let us O God, look to the tree and the  
Mower for the beauty and serenity of orderly  
living.*

*As each in its season, depending wholly  
upon Thee for development, arrives at  
perfection — so may each of us in simplicity  
and trust, work out the divine pattern of her  
being. And help us to achieve in living, O  
God, the same harmony and loveliness that  
we strive for in gardening, exemplifying in  
both the beauty of holiness.*
