## GARDNER'S PRAYER

J. H. Filmore

Let us, O God,  
Look to the tree and the flower  
For the beauty and serenity of orderly living.  
As each in its season,  
Depending wholly upon Thee for development,  
Arrives at perfection--  
So may each of us in simplicity and trust,  
Work out the divine pattern of her being.  
And help us to achieve in living, O God,  
The same harmony and loveliness  
That we strive for in gardening,  
Exemplifying in both  
The beauty of holiness.
