Monoblock Resin Chiavari Chair – Shown in Black, See other color options below **SKU: GES-RCC4BLK-MONO-V2**

Lightweight, single piece construction; commercial-grade, 1100 lb. weight capacity. Suitable for indoor or outdoor events.

Product Overview

Looking for the perfect chair to elevate your event? Look no further than the Monoblock Resin Chiavari Chair! This sturdy and stylish chair is made from strong and lightweight resin, making it easy to transport and set up.

The classic Chiavari design adds a touch of elegance to any event, while the stackable design makes for easy storage.

Plus, with a variety of colors to choose from, you can find the perfect chairs to match your event's decor. Don't settle for boring old chairs - elevate your event with the Monoblock Resin Chiavari Chair!

Each chair is commercial-grade quality and perfect for events or special occasions. It has an overall height of 36.5" and a width of 16", with a seat height of 17.5".

The seat itself is 16" deep and 16" wide, is shipped fully assembled and is stackable for easy storage. It also has a weight capacity of 1100 lbs. and comes with a 1 year warranty. Order now to add a touch of elegance to your next event.
