In memory of Wayne Bisek

With a heavy heart, we mourn the loss of previous board member and community member, Wayne Bisek. Wayne was one of the founding members of our board and instrumental in helping us build the new building and guide operations. Wayne created the charity Buckets for Hunger, Inc. Last year, Buckets celebrated its 25th Anniversary. Since its inception in 1995, nearly \$2.5 million has been raised to feed the needy across Wisconsin and the nation.

Wayne will be greatly missed in our community.

Please Note ... Continued Drive Up Service

We have been instructed that we should continue Drive-Up, no contact service through the fall 2021 and into spring 2022.

Once we can let our guests back into the pantry, we absolutely will!

Thank you for understanding and being ready to go when you arrive. We appreciate you and are glad to shop for your food and personal essentials.

Personal Grocery List Continues

A shopping list is still being offered to each guest when they arrive for distribution. This is your personal grocery list.

We will do our best to include the food that you request —**if you don't get an item you requested, we don't have it that visit.**

Volunteers fill each individual list with the items and quantities. Boxes are then placed in to your vehicle. We ask that you have space in your vehicle for the food you're picking up, especially if you are sharing a ride with other pantry guests.

Please return the silver frozen item bags.
