### **Christmas Class Parties Week 12/10 - 12/14**

All classes are decorating an individual Christmas treat in their class starting next week as well as having normal class activities for learning. We have found a really neat idea and would like some contributions from each class - see the list on our wall in lobby on how you can help. This will be a fun week, so make sure your child is present and then we still have one more week of classes before Holiday break.

**Early Arrivals:** Please stay in lobby area until your class begins and no extra students waiting for their class without a parent in the building. Let's make 2019 EXTRA SAFE!
