SUMMER SESSION

Classes begin June 17th.

The summer schedule will be posted on the website very soon. If you have any questions regarding where your child should be placed this summer, please ask Michel or Jessica. We strongly encourage students to take classes in the summer even if you are planning vacation. Students lose their skills if they are not constantly working on them and will be behind come fall.

PRIVATE LESSONS

Does your child have a gymnastic or dance skill they would like to master and are really close? Schedule a private lesson or two to help them a little more than their regular class. See Michel and Jessica and get on their calendar.

USAGA Birthday Parties

Have your next party at USAGA We do all the work from set up, decorate, entertaining, cleanup (what's not to like?) Come see us for prices and information.

We want to **Thank You** all for an Awesome Season and hope everyone has a Great Summer!
