Progress Muscatine Announces Community Conversations

(Muscatine, Iowa) Progress Muscatine announces weekly Community Conversations beginning Tuesday, May 11th at 7pm via Zoom.

The Mission of Progress Muscatine is to empower Muscatine County residents to identify problems and work toward sustainable solutions for the common good.

“As we strive to reach our mission, these conversations will be a cornerstone of our work,” Jessica Brackett, board president.

Each conversation will include two sections. The first half will include a discussion of general concerns, and possible solutions regarding issues throughout Muscatine County. The second half of the conversation will be about the future of energy production at our community owned utility, Muscatine Power and Water.

To reach as many people as possible, Community Conversations will take place weekly, and on a varied schedule. Community Conversations in May will take place on Tuesday, 11th at 7pm, Thursday, 20th at 7pm and Wednesday, 26th at noon.

If you would like to receive updates about our work or join a zoom conversation, you can email us at Progressmuscatine@gmail.com, call 563-261-2915, or keep an eye on our Facebook page. Progressmuscatine.org will launch in the near future.
