

11th Grade Community Service and Essay Contest Information

This \$500 contest is administered through the Philipsburg Area Education Foundation (PAEF). The intent of this contest and required essay is to get students writing, learning and looking forward to the next level of training needed to be successful adults, while learning the importance of giving back to their community. It is the intent of PAEF to make two awards. One will be in the Philipsburg area and one in the Drummond area. If the contest is not presented in school, essays and community service logs will be accepted from any 11th grade student.

ELIGIBILITY:

The contest is open to all 11 grade students with residency in Granite County.
LATE and/or INCOMPLETE APPLICATIONS AND ESSAYS shall not be considered.

TOPIC: Giving Back to the Community is Important and Vital

The ultimate goals of this community service project is to give time and energy to your community in a meaningful way and write a essay worthy of an 11th grade student bound for post-secondary education or training.

2. Complete 10 hours of community service – keep a log of hours to attach to the application
3. Write an essay of 500 - 700 words in length – this essay is NOT a recital of your project; rather, an essay about the larger topic: the importance of community service – research data must be included to support claims

10. Submit the essay and presentation (if required) for school evaluation by the 1st Monday in April. If the contest is not offered in school, please meet the deadline as stated in the EVALUATION section of this document.

COMMUNITY SERVICE PROJECT:

Choose a project of significance to your community, one that extends beyond donating time at the local food bank or thrift store. Babysitting for a family friend, helping Grandma clean out her basement, or watching someone's dog are not examples of community service. Find a project that is a true service to a person or persons in the community; something that is long-lasting and educational. Examples:

1. With the help of a supervisor/mentor, organize a project or outing with seniors or handicapped persons which would entail meeting their identified special needs.
2. Organize and implement an after-school program for young children – sport, art, drama – with appropriate learning objectives, supervision and parental permission.
3. With the help of a supervisor/mentor, develop a menu for a cultural event, cook meal and serve senior citizens, and give a cultural presentation or celebration.
4. Organize and implement a fund-raising event to help a family in need – identify need with appropriate authority.
