To Whom It May Concern,

My name is Monique Cosby and I have known **Valencia Benjamin** since high school. She has always been an avid reader and excellent writer. I have witnessed her at work on numerous occasions—from music, to poetry, to filling out college applications (sending in those entry essays was a serious occasion!).

Her work in the studio was something I have always affirmed her on. And, I have always encouraged her to pursue her dreams, sensibly. She is good with time management and creativity under pressure. I am pleased to see her growing as a professional writer, and I recommend her for any type of professional writing title that is available.

Sincerely,

A handwritten signature in black ink that reads "Monique Cosby". The signature is fluid and cursive, with the first name "Monique" being more prominent than the last name "Cosby".

Monique Cosby,

Student Financial Aid Professional
