Summary

I am a working writer. I have been creatively and technically writing since middle school. However, I have been writing creatively since the age of 7. I have been sought after to compete internationally in writing competitions since middle school also. I have wins and losses on state and national categories (the humanities). I am currently pursuing a Bachelor's of Lib. Arts degree, and am at Senior level (5 credits to finish). My overall GPA is 3.54. Further, I apply my writing skills to film editing also. I have digital content creation under my belt now, working as a freelance writer and digital creative under my LLC, Writdesignz.

I have been a freelance writer for about 13 years now. I have been a published author since 10/2016. I have independent, freelance work experience with direct and digital marketing for 12 years now. I have direct studies in human behavioral science, psycho-socialism, general psychology, philosophy, and sociology via my major, and, my minor in psychology, (which I have completed with a 4.0 GPA). — For a look at my versatile design and writing skills, you can find my music and films on my new YT channel, On the Silk. Or, just stream it. Search: Lenciaga.
