# MOT Tester Qualification

Next Steps

# Demonstration Test

Once you have completed your Level 2 Award you will need to arrange and pass a demonstration test before you are able to carry out live MOT's. To book this, start by clicking the link below.

<https://www.gov.uk/guidance/book-an-mot-tester-demonstration-test>

# Completing the Form

Select the 'Start now' button

Book an MOT tester demonstration test if you:

- are a newly qualified MOT tester
- are returning to MOT testing after a break
- missed the annual training and assessment deadline

You can do the demonstration test at either:

- the training centre where you took the qualification course
- an MOT centre you work at

You do not have to pay to do the demonstration test.

### Taking a demonstration test in an automated test lane

You will need to take your test using an assistant with the equipment in manual mode. You may also need to do some additional demonstration and answer extra questions. This is to make sure that you can test with and without an assistant and use the equipment competently.
