Data protection
We collect, use and store your personal data so that we can process your request for a demonstration test. We may share your personal data if we have a lawful reason, for example, as part of a criminal investigation or to prevent fraud.

Find out more at www.gov.uk/dvsa/privacy

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.

* Required

1. Why do you need to take a demonstration test?

If you are a newly qualified tester you must add your level 2 MOT testing certificate number to your MOT testing service profile before you submit the request.

If you are returning to testing and required to pass the annual assessment this must be associated to your MOT testing service profile before you submit your request. *

I'm a newly qualified tester

I'm a qualified tester and I want to add classes 3 or 5 to my approval

I'm returning to testing after a break or cessation

I missed the annual training and assessment deadline

Enter the DBS certificate number and check code

Basic Disclosure and Barring Service (DBS) check

Submit your DBS check code if you have one, this will speed up your request (Scottish DBS certificates do not have a consent check code). If you do not have a check code or your DBS certificate is not clear you need to send the original DBS certificate (all pages) by post along with covering letter, include a stamped addressed envelope for its return to:

MOT Hub
DVSA
Broadway Business park
Broadgate
Chadderton
Oldham
OL9 9XA

Please attach a covering letter with your MOT user id, your full name, the test Group you are requesting a demonstration test on (Group A classes 1 & 2 Group B 4 & 7) and the date you made the online request.

Original certificates will be sent back by using your stamped address envelope. If you wish to have your documents returned by any other service, such as Royal Mail Special Delivery, you must provide a pre-paid envelope that can be purchased from a Post Office.

4. Basic DBS check

Enter certificate number from your DBS certificate in full.

For Basic Disclosure (Scotland only), please provide your Level 1 disclosure reference number. This begins with a B followed by 7 digits.

Enter your answer

5. DBS consent code (England and Wales only)

Enter your DBS share/consent code to let DVSA check your record (Please ensure you enter case sensitive characters, ie upper and lower case where applicable)

This will be 8 digits for example THDFGVCS or EW dU bP Q2
