- ☐ Very important
- ☐ Somewhat important
- ☐ Neutral
- ☐ Not very important
- ☐ Not important
- ☐ Not sure / need more information

9) What approach do you believe the City should take to fund improvements?

- ☐ Seek state or federal grants
- ☐ Partner with county or regional agencies
- ☐ Use existing city resources only
- ☐ A combination of the above

10) Which statement best reflects your view on funding city improvements?

- ☐ Rely primarily on grants and partnerships, even if projects take longer
- ☐ Use a mix of grants, partnerships, and local funding to move projects forward
- ☐ Avoid new local funding, even if it limits the City's ability to improve infrastructure
- ☐ Not sure / need more information

11) If the City identified one or two critical, high-priority needs (such as emergency access, drainage, or road safety), would you be open to learning more about local funding options to address them?

☐ Yes

☐ No

☐ Maybe / need more information

12) Select All That Apply: If local funding were needed to address clearly defined, high-priority needs (for example: emergency response access, drainage improvements, or basic road maintenance), would you support a limited local property tax if:

☐ Funds were dedicated only to voter-identified priorities

☐ The tax rate was kept as low as possible

☐ Spending was transparent and regularly reported

☐ The tax had a defined purpose and timeline

☐ I would not support a local property tax under any circumstances

☐ Not sure / need more information

13) Would you be interested in attending a community meeting or receiving information explaining the City's finances, funding options, and infrastructure needs?

☐ Yes

☐ No

☐ Maybe

Ending Questions

14) What do you believe is the City's most important responsibility at this stage of its development?

15) Do you have any additional comments or concerns you would like the City to consider?

Thank You!
