RESOLUTION 11-21

A RESOLUTION OF THE BOARD OF ALDERMEN OF THE CITY OF PLANTERSVILLE, TEXAS, OF GRIMES COUNTY, ADOPTING WRITTEN POLICIES FOR CAPITALIZATION AND DEPRECIATION OF CITY ASSETS

WHEREAS, the Governmental Accounting Standards Board has released Statement No. 34 (GASB-34);

WHEREAS, GASB-34 requires that all capital assets, including infrastructure assets, be reported in a statement of net assets at historical costs, including ancillary charges, net of accumulated depreciation;

WHEREAS, accumulated depreciation for general fixed assets was not reported under the previous reporting model, and it is necessary for the District to adopt policies for capitalization and depreciation of District assets in order to enable compliance with GASB-34;

NOW, THEREFORE BE IT RESOLVED BY HONORABLE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF PLANTERSVILLE, TEXAS (THE "CITY") THAT:

I.

Except as otherwise provided in this Resolution, all City infrastructure assets with a useful life of at least two (2) years and a total cost of \$20,000 minimum and other capital assets with a total cost of \$5000 or more (including installation costs, if any, and associated professional fees) shall be capitalized and depreciated using no salvage value and the straight line method of depreciation based on the estimated useful life of the asset in question as reflected on Exhibit A to this Resolution.

11.

Expenditures that extend the useful lives of capital assets beyond their initial estimated useful lives (preservation costs) or that improve their efficiencies (improvements) or increase their capacity (additions) shall be capitalized in accordance with these policies unless, in the opinion of the District's engineer, a different useful life is appropriate.

III

This Resolution shall be effective immediately. The Mayor or members of City Council are authorized to do all things necessary and proper to evidence the Board's adoption of this Resolution and to carry out the intent hereof.

PASSED AND ADOPTED THIS 11 day of January, 2021.

	Mayor of City of Plantersville, Texas
