

Welcome to the 2025 -2026 Season

Skyline Lakes Annual Director's Message

Dear Skyline Lakes Community,

As we reflect on another year, I am filled with immense pride for what we have achieved together as a community. The past year has been one of growth, resilience, and collaboration, and I am honored to share some highlights of our journey.

Accomplishments and Progress: We've made significant strides in improving the amenities and overall well-being of our beautiful lake and clubhouse. From the ongoing upgrades to our clubhouse (the central air was replaced) to the successful implementation of environmental initiatives aimed at preserving the natural beauty of Skyline Lakes, we are continuously working to enhance the quality of life for all residents. A special thanks goes out to our dedicated volunteers and board members whose tireless efforts made these accomplishments possible.

Community Engagement: One of the most exciting developments this year has been the increased participation in our community events. Whether it was the Steak Roast, holiday celebrations, Peppermint Kaleidoscope Sound Company, our entertainment nights with live music, or neighborhood clean-up days. It has been heartwarming to see neighbors coming together, building connections, and supporting one another. Your involvement makes Skyline Lakes a place we can all be proud to call home.

Looking Ahead: As we look toward the future, we remain committed to maintaining the high standards of our community. In the coming year, we plan to focus on enhancing our sustainability efforts, improving communication channels, and fostering a more inclusive and welcoming environment for all residents. We are excited about the future of Skyline Lakes and the opportunities that lie ahead.

I want to extend my deepest gratitude to each of you for your continued support and dedication. It is because of your involvement that we continue to thrive. Together, we will make the next year even more remarkable.

Thank you for being a part of the Skyline Lakes community.

Warm regards,

Peter Lesler
Director, Skyline Lakes

Swim Lessons

S.L.P.O.A. Swim lesson programs run for 5 weeks. The program will be

supervised by Red Cross Certified Swimming instructor. All swimming instructions will be taught by Red Cross certified Life Guards. Because we have a Red Cross certified instructor, each child will receive a Red Cross Card at the end of the program. As always, only current members who have joined the Association may participate in this program. Swimming tests will be given to determine your child's ability and level.

Participants will be grouped by swimming ability and be given lessons 3 times a week. The lessons will take place at Main Beach between the hours of 8:00 am to 11:00 am. Hours maybe modified depending on the size of the group. The lessons will mirror the suggested Red Cross swimmers program and is designed to move the participant into the next level. If you are interested in the swimming program please contact Kelly Engels 973-610-7945 Kengelsbeachdirector@gmail.com.
