

CHAIRS MUST PLACED ON BOTTOM
RACK FIRST.

All chairs should be hung up facing in.

Top rack chairs are upside down
hanging from middle bar.

Bottom rack chairs are right
side up hanging from back support.

Only 6 chairs per
rack. Do NOT
exceed limit.
Please ensure all
chairs are facing
the same way.

Rectangular tables stand to the left as shown. Rectangular tables are put in legs first. Round tables are put in with legs facing out. Larger round tables go in first. Smaller round tables go in after.

All additional chairs are stored on shelves next to table storage. Please ensure all chairs face in and face the same way.
