SKYLINE LAKE RENTALS MUST RECYCLE

Skyline Lakes Rentals must RECYCLE NOW due to the request of the town or we can be hit with a Heavy Fine. Yes, this will be monitored by the Rental Director and Buildings and Ground Director after each rental.

The cans for Recyclable's are marked in the Rental Hall as well as in the outside garbage enclosed area. It is the Renter's responsibility to make sure their guests Recycle. If this is not done, the Rental Director will have the right to call you back to remove the Recyclables from the garbage dumpster to be placed into the marked cans OR you will be charged a Fee from your Security Deposit Check.

If you chose, you are welcome to take your garbage home with you.

Thank you for your cooperation.
