

BMPOA's "Clean Up the Mountain" Days

Hello BMPOA members! In addition to the Spring Chipping operation, the Covenants Committee is sponsoring a yard cleanup effort from 13th to 30th of April. If you have a yard full of inoperative appliances, construction debris, furniture or just plain junk, BMPOA is providing a dumpster for your convenience here on the mountain. The dumpster will be located at the corner of Woodpecker and Scarlett Tanager at the back of the Matlock house. Signs will be provided.

Please don't drop off hazardous waste, paint, oil, etc or anything not already in your yard!!

Drop off times will be from 7 AM to 8 PM.

This effort is for debris that is currently in your yard, NOT in your house! And yes, moving it from your house to your yard is CHEATING. Please don't do that.

Additionally, if you have no way of hauling your trash to the site, Matlock Home Improvements will drop off a trailer for you to load and they will pick it up later. There will be a service fee, negotiated between you and Matlock Home Improvements, should you desire to take advantage of this service. Contact them at 540 635 4016 or 540 428 6225.

Questions should be referred to me at bmotogo123@gmail.com or feel free to call 540 877 0126.

Finally, if you are not physically able to remove some debris from your yard contact us and we will see if we can get some volunteers to help.

LET'S CLEAN UP OUR MOUNTAIN!!

Sincerely,

Billy Orndorff
