

Name:Jonathan Morrison

Position Desired:Director

How Long Have You Lived in BMPOA? Since 2003

Please answer the next 4 questions with no more than 5 bullet points each:

How have you shown an interest in/what have you done for the community since you've lived here?

- I have been an active member of the BMPOA board for approximately 20 years
- I was integral in the revival of the repair of the Lodge in 2005 and brought it back from a decrepit building that was uninsurable to a viable community space as well as restore it to be used as a revenue stream for the community. I continue to keep this space viable.
- I also help to maintain Deer Lake, from repairs to the dock, floating dock, installation of materials, upkeep, bridge, and general maintenance.
- I serve on the Architectural review committee as well.

Why do you want to serve on the board (or on the nominating committee?)

- It is important to be a part of a community, to help better the community, and to maintain an oasis of green in this area. I have served the board for years and would like to continue in the interest of Blue Mountain POA

What do you hope to accomplish by serving on the board?

- I will help maintain recreation areas and help to conserve and preserve our community and grow the community.

Tell us something you want the nominating committee to know.

- Over the last twenty years, I have donated over \$100,000 of my time towards renovation, repair, and upkeep of the lodge and other recreation areas. My expertise is in historical restoration so I have a keen interest in the lodge.
- In the past year, I have collaborated with other board and community members to establish a 5 year plan for maintenance and improvement of the lodge.
- I maintain and regularly check and repair the dam overflow, boardwalk, fishing dock. I also collaborated with other community members to install the ADA dock at Deer Lake.
