

SILVER HAWK AIR

CAPABILITY STATEMENT

Service-Disabled Veteran-Owned Small Business | Aviation Parts & Components

CORE COMPETENCIES

Silver Hawk Air is a full-service aviation parts supplier serving commercial airlines, government agencies, corporate operators, helicopter operators, and MRO facilities worldwide. We deliver mission-ready components with rapid sourcing, quality assurance, and responsive customer service.

- Rotable Parts Sales — airframe, engine, and component rotables for fixed-wing and rotary-wing aircraft
- Avionics Sales — communication, navigation, radar, and instrumentation components
- Engine Sales — turbine and reciprocating engines, modules, LRUs, and accessories
- New & Surplus Sales — OEM-new, factory-new, overhauled, and serviceable inventory
- Worldwide Sourcing — small corporate jets, wide-body commercial aircraft, and helicopters
- AOG / Time-Critical Support — responsive procurement for grounded aircraft and urgent fleet needs

COMPANY SNAPSHOT

UEI:	JM2NMNGRM5Y1
CAGE Code:	61LV1
Business Type:	SDVOSB / VOSB
Location:	Lake Oswego, OR
SAM.gov:	Active Registration
Quality:	Full traceability on all parts

DIFFERENTIATORS

- Service-Disabled Veteran-Owned and operated — eligible for SDVOSB and VOSB set-aside contracts; committed to mission-critical reliability and accountability
- Global supply network sourcing parts for fixed-wing, rotary-wing, and corporate fleets
- Active SAM.gov registration; CCR-registered for federal and DoD procurement
- Established customer base across U.S. Government, domestic and international airlines, helicopter operators, corporate flight departments, and MRO facilities
- Rapid quote turnaround with quality documentation and full traceability on every shipment

PRINCIPAL EXPERIENCE

Founder & President: Scott Hunstad, ANG (Retired)

Silver Hawk Air's leadership brings direct, hands-on military aviation experience to every transaction. The company is founded and led by an Air National Guard veteran with 20 years of service as an F-15 and F-16 Crew Chief.

- 20 years Air National Guard experience as an F-15 and F-16 Crew Chief
- Direct hands-on expertise in fighter aircraft maintenance, flight-line operations, and aviation supply chain priorities
- Previously held Secret security clearance (Air National Guard, retired 2019); favorably adjudicated and eligible for reinstatement upon contract requirement
- Deep understanding of DoD procurement, AOG response, and mission-critical parts sourcing from the operator's perspective
