

INTRODUCTION TO PEER SUPPORT

For leaders in their Emergency Response organization who have a desire to understand the functions, parameters, requirements & necessity of a Peer Support Team. This 1-Day Training has been designed to provide those that are decision makers, or agency leaders, with a real insight into how the implementation of a professional Peer Support Team operates and its positive impacts upon their agency.

WHAT IS THE COST?

There is no cost for Agencies that are engaged in an active contract with us.

However, anyone can attend, and for those whose agency is not in an active contract with us, there is a small **\$99** fee.

WHERE WILL IT BE HELD?
