## Father's Day Surprise

Once upon a time, in a cozy little house, there lived a family with a loving father named Mr. Johnson, his wife, and their two children, Lily and Jake. Father's Day was coming, and Lily and Jake wanted to do something special for their dad.

One sunny Saturday morning, the kids woke up early, tiptoeing around the house to keep their plan a secret. They decided to make their dad's favorite breakfast—pancakes with strawberries and whipped cream.

Lily mixed the batter while Jake carefully cut the strawberries. They worked together, giggling and whispering so they wouldn't wake up their dad. When everything was ready, they set the table with colorful napkins, a handmade card, and a small bouquet of wildflowers they had picked from the garden.

Just as they finished, Mr. Johnson walked into the kitchen, rubbing his eyes and looking surprised. "What's all this?" he asked with a big smile.

"Happy Father's Day, Daddy!" Lily and Jake shouted, running to hug him. Mr. Johnson's heart filled with love and joy as he hugged his children back tightly.

The family sat down together to enjoy the delicious breakfast. They laughed, shared stories, and spent the rest of the day playing games and having fun. Mr. Johnson felt very special and loved, knowing his children had gone through so much trouble to make his day memorable.

That night, as Mr. Johnson tucked Lily and Jake into bed, he whispered, "Thank you for the best Father's Day ever. I love you both so much."

"We love you too, Daddy," they replied, drifting off to sleep with happy smiles on their faces.

And so, in their cozy little house, love and joy filled every corner, making this Father's Day a day to remember forever.
