Scholarship Opportunities for DREAMers*

The majority of the listed scholarships are open to all U.S. citizens, however a few are exclusively for DREAMers. *A DREAMer is defined as a non-U.S. citizen or permanent resident high school student who qualifies for in-state college tuition under the Illinois' HB-60 State Legislation and who will benefit from the Illinois DREAM Act, a provision that supports children of immigrants in Illinois signed by Governor Pat Quinn in 2011.
