

Accountant's Review Report

I have reviewed the Bridgepoint HOA cash basis financials for the calendar year ending December 31, 2021. My review included primarily applying analytical procedures to the HOA financials, reviewing bank statements and supporting documents, and making inquires of the Treasurer.

Bridgepoint's Treasurer is responsible for the preparation and fair presentation of the financial statements in accordance with generally accepted accounting principles.

My objective was to perform analytical procedures to obtain limited assurance that there are no material modifications that should be made to these financial statements. Based on my review I am not aware of any material modifications that should be made.
