- Division 3 and 4 schools will compete in Session 2 (Saturday Morning). Division 1 and 2 schools will compete in Session 4 (Saturday Evening). We have listed all categories separately, but if there are not three or more teams in a division that are both from Division 3 and 4 or Division 1 or 2, - we will combine that Division or cancel the division. The cut off date is January 1, 2027 for the three teams entered.
- Divisions will be split into small and large once a division has 9 or more teams entered. We must have 9 entries as of January 1, 2027 for divisions to be split. Teams will be split at the natural break (so the divisions are as equal as possible). Coaches will be notified of small and large divisions by January 25th, 2027. No additions to team numbers may be made after January 22, 2027 (5pm). You may lose members, but no changes in divisions will be made.
