

Welcome from PROJECT SEEK!

Happy 2026-2027 school year and welcome to Project Seek! We couldn't be happier that you have joined our community and will share in the magic of supporting Art and STEM at McGaugh Elementary. I am Katherine Lasker, the current president of Project SEEK.

Project SEEK is the parent-run non-profit that raises the money to fully fund the Art and Technology programs at McGaugh. These programs include: ART LAB and INNOVATION LAB (100% of teacher's salary and supplies). Project SEEK raised over \$150,000 last school year to keep these programs going each day for ALL of our students.

Our students' engagement in STEM (Science, Technology, Engineering, Math) and Art exploration leads to gains in all other areas of learning. **Children receiving art and STEM instruction can expect to have increased problem solving skills, innovative thinking, growth mindset, and improved self-esteem.** Project SEEK has continued to exist since 1993 because our community believes these programs are important even if the district is unable to provide them.

Project SEEK hosts fundraisers throughout the school year. From our Fall Donation Drive to Dining for McGaugh to The Event (our yearly Gala/Auction) and more, we hope that your family can find a fun option (or two!) that works for you to contribute!

The only way we manage to reach our lofty goals every year is through continued community support. Any donation amount, or small effort to volunteer, makes a *huge* difference. Cheers to a wonderful year supporting our future artists, innovators and leaders!

If you are interested in sponsoring The Event, our sponsorship levels are listed below:

Diamond Sponsor - \$5000
Platinum Sponsor - \$2500
Gold Sponsor - \$1500

Silver Sponsor - \$1000
Bronze Sponsor - \$500
Supporter - \$250

You can turn in your donation at the front office of McGaugh Elementary or mail to P.O. Box 626, Seal Beach CA, 90740

Many thanks!

Sincerely,

The Project Seek Team
