

## **2020 CBA HALL OF FAME INDUCTEE**

**Brady Stearns, St Cloud, MN**  
**Superior Performance**

One of the fastest climbs up the CBA Hall of Fame point ladder that we've seen, Brady Stearns becomes the next inductee into the CBA Hall of Fame. Brady comes from a very competitive and successful bowling family, so it is no surprise that he has reached this level of success. But it isn't just the talent in the family genes that has created this player. He practices and participates more than most of his peers and that amount of repetition has paid off. Brady also became the 2<sup>nd</sup> person from Minnesota to throw a sanctioned 900 series, an absolute incredible achievement. Welcome to the CBA Hall of Fame, Brady!
