

2025 CBA HALL OF FAME INDUCTEE

**Mark Steiner, Bloomington MN
Meritorious Service**

Mark Steiner's journalistic expertise helped the CBA's Tournament Director, Tom Corbett, in ways that are hard to explain. When writing the recap of the tournament, Mark was able to capture the action as if you were there in person watching. Back when all the prize checks were written out by hand and paid the same day of the tournament, you would see Mark off to the side figuring out the prize list and then handwriting all the checks. Some tournaments there could be up to over 75 checks to be written.

Mark also was a very good bowler as he is 100th in Career Points with 73.4, which is the most of any bowler without winning a title. He does have 1 – 2nd place finish with numerous top 5 appearances and has made the 2nd All Star Team twice.

Mark, along with the help of his wife, Jo Ann, would make sure the check book was balanced every month.

The CBA thanks Mark for his contribution to the CBA and is proud to have him into our Hall of Fame.
