

2006 CBA HALL OF FAME INDUCTEE

**David Langer, Brooklyn Park, MN
Superior Performance**

David Langer, aka “Lumpy”, the little guy with the unbelievable talent to over power any condition. David has the ability to adjust to the condition either by striking with the best or as a great spare shooter and is usually seen near the top at the end of a tournament. He has also represented the CBA and Minnesota at the U S Open in 2004 and made us very proud by finishing in the top 15.
