

2009 CBA HALL OF FAME INDUCTEE

Dan Bock, Albert Lea, MN
Superior Performance

Dan Bock, one of the most competitive bowlers the CBA has ever seen. With the drive to win every tournament, Dan's competitive fire won't let him settle for anything less than his best effort which is usually near the top of every tournament he enters. Dan has also done very well nationally as he has a USBC "Eagle" along with a High Roller title to his credit. The CBA is very proud to have a bowler like Dan associated with us.
