

## **2018 CBA HALL OF FAME INDUCTEE**

**David Oulman, Medford, MN**  
**Superior Performance**

**Dave is the next inductee in a long line of Owatonna Bowling Standouts. He joins other CBA Hall of Fame members from Owatonna: Dan Bock, Chad Nelson and Dave Langer. Dave has achieved his CBA success in just the past handful of years, although always competitive earlier in his career, his titles have come in recent years. His drive and mental toughness were the biggest changes that have broken him through the championship barrier. A never quit attitude, he always believes he can win until the end. The CBA & Owatonna area are proud to have a “grinder” like Dave in their organization and region.**
