

## **2024 CBA HALL OF FAME INDUCTEE**

**Matt Paine, Richfield, MN**  
**Superior Performance**

One of the hardest throwing bowlers with great accuracy, Matt Paine becomes the newest inductee into the CBA Hall of Fame. When Matt first started bowling the CBA tournaments, he didn't think he could compete so he only bowled once in a while. Through hard work & perseverance he came through with his first CBA title in July of 2012. A couple more titles and numerous All Star Teams appearances later, Matt is now one of the bowlers who always has a chance to win a tournament.
