

1996 CBA HALL OF FAME INDUCTEE

**Clark Poelzer, Arden Hills, MN
Superior Performance**

Clark Poelzer has been a CBA All-Star in three different decades. A classic shot-maker, Clark's technical knowledge, physical consistency and durability make him tough to beat, especially on challenging conditions. His services as CBA president, and as a mentor to a number of young bowlers, are only two of the many ways Clark generously gives something back to the sport of bowling.
