Dear Mr. Coleman:

It is with pleasure we accept the constitution and By-Laws for the newly organized Association for African American Culture. It is a welcome addition to the many worthwhile groups and organizations already in Leisure World.

As with all recognized Leisure World groups, we will require that you submit a list of the officers or individuals in charge each time there is an election or change, and that your meetings be publicized in the Leisure World News for the benefit of any new or current residents who may want to join your organization.

We would also appreciate having a brief (one paragraph) statement about your organization to enter in the booklet which is distributed to new residents.

Thank you for your interest in the community and in your new organization.

Very truly yours,
