2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

We are the country's first Transitional K - 8 Grade Intercultural Public Waldorf School. We are a Standards-Aligned, Equity-Focused Charter. Oakland Community Organizations is our founding and key partner.

Our Vision Is:

The Community School for Creative Education envisions a future in which: all children have access to quality education; all children experience success in community and career; and youth voices contribute in valued and meaningful ways to the success of an thriving, equitable, and multi-cultural society.

Our Mission Is:

To achieve our vision, the Community School for Creative Education is a TK through 8th grade charter school that partners with families and communities to serve the richly diverse students of Oakland, California. The school is committed to promoting equity in education by providing a rigorous, standards-based academic program integrated into a culturally rich, arts-infused curriculum and guided by ongoing assessment. Through nurturing the whole child – head, heart, and hands – our school prepares o culturally competent, o well-rounded, o lifelong learners and leaders to be college-ready, confident and culturally competent, and prepared to lead, contribute to, and successfully participate in our rapidly changing multicultural society.

CSCE Mission and “What Do We Stand For”

Our Mission is inspired by the Rudolf Steiner Waldorf methodology to partner with families and communities to provide a rigorous, highly personalized, college preparatory program integrated into a culturally rich, arts-infused curriculum for the diverse students of Oakland to promote equity and prepare culturally competent, ell-rounded lifelong learners to lead, contribute to and successfully participate in our rapidly changing, multicultural society Community School for Creative Education.

2021-22 School Overview

The School Rests On Three Pillars:

We commit to:

- Provide a Common-Core -aligned curriculum
- Be inspired by Waldorf principles
- Stay focused on Equity & create change in our society's structure by helping all children to succeed in school and in life.

These pillars provide the school's foundation and direction.

We commit to knitting these together as a professional learning community continuously refining and reflecting on data as we go. We Recognize Learning to Read as a Key Portal on the Path: We recognize: Learning to read well is the cornerstone of creating equitable outcomes for our children. We do it through integration of:

- Direct and systematic phonics instruction, close reading, guided reading, shared reading and interactive reading in Reader's and Writer's workshop (see Renewal, p 20);
- Core Waldorf practices: Teaching through the artistic; employing main lesson; main lesson book; reinforcement through subjects. (CSCE Renewal, p. 20 & p.25) We follow cutting-edge learning theory by drawing from Waldorf practices in our lesson design which moves from whole (the story) to part (direct instruction) and back to whole (the artistic activity).

We Aim To Be Preventive Rather Than Reactive: The aim of CSCE is to focus on prevention, intervention and acceleration of all students. To achieve this goal, we are committed to create a process similar to Response to Intervention (RTI) and Positive Behavior Interventions and Supports (PBIS) that together provide staff a routine systematic way to identify students in need early on so they can be provided with appropriate interventions.

Our Accountability is To Ourselves: We commit to conducting ongoing inquiry together around focus areas, collecting data and reflecting on outcomes (Cycle of Inquiry). By inquiring and assessing frequently, regularly and using multiple measures (CSCE Renewal, p. 52-59) we learn how to do our work better. We engage multiple modalities and interdisciplinary curriculum drawing from Waldorf.

Our goal is to: Meet Common-Core Standards: 80% of 5th graders and beyond will meet or exceed standards in both English Language Arts and Math.

Specifically, in reading, our target is:

- by end of first grade, a fluency rate of 60 words per minute
- by end of third grade, a fluency rate of 110 words per minute
- by end of fifth grade, a fluency rate of 140 words per minutes (see Renewal, pp. 27-28)

Do that and more: Develop life-long leaders by harnessing Waldorf inspired methods

Do that for all: Both those who are "school dependent" and those who are not

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with “NT” values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Our parents are our children's first teachers The school works in partnership with the parents.

Key avenues for involvement are:

1. Ongoing volunteer opportunities:

- -classroom reps
- -participation in any classroom is encouraged

2. Weekly meetings include:

- -presenting at an Assembly
- -participation in parent and principal and executive director tea after weekly Assembly

3. Monthly meetings include:

- -Parent Meeting (build on research tested Head Start model of parent empowerment)
- -Break the Ice; Cultural Humility meetings with families and staff and community
- -Fundraising
- - School Site Council
- - Food Bank

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The school has emergency drills on a regular schedule (e.g., earthquake, fire, shelter in place). Emergency exit maps are posted in each room. Plans are reviewed with the staff each August before the beginning of school. Plans are reviewed prior to each month's drill and reviewed to ensure best practices are being upheld.

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2018-19 Elementary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Professional Development is delivered by professional conslutants from multiple Waldorf teacher training programs (Transforming Teaching Education for a Sustainable Future, Rudolf Steiner College, independent consultants).

The teachers are supported in a PLC through prinicipal faciltiated meetings w here student performance data is used as a key fundamental for making instructional decissions. Furthermore, through evaluations of data over time the teachers have adopted school wide norms and strategies to support our ELL population.

Teachers are also provided release time to attend conferences and trainings offsite.
