Child Find
We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CSCE provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEIA”), Education Code requirements, and applicable policies and procedures of the El Dorado County Charter SELPA. These services are available for special education students enrolled at CSCE. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. CSCE collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.
Pursuant to the Individuals with Disabilities Education Improvement Act (20 U.S.C. §§ 1400 et. seq) and relevant state law, CSCE is responsible for identifying, locating, and evaluating children enrolled at CSCE with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or are wards of the State. To ensure that eligible students are receiving the services to which they are entitled, we would like to request your assistance.

If you know of a child who has a disability or that you suspect may have a disability, you may refer that child’s parent or guardian to CSCE by contacting Mr. Louis Orren at louiso@communityschoolforcreativeeducation.org or calling 510-686-4131 and asking for the Senior Resource Education Specialist. Please note: All referrals are considered confidential. The parent, legal guardian, or surrogate parent retains the right to refuse services and other procedural safeguards under federal and state law.

**Concussion/Head Injuries**
A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because CSCE offers some athletic programs, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed healthcare provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete’s parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

**Sudden Cardiac Arrest**
CSCE is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest (“SCA”) is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at a CSCE school, must review the information sheet on sudden cardiac arrest via the link below and attached to this handbook:
https://www.cdc.gov/dhdsp/docs/cardiac- arrest-infographic.pdf
Tests on Personal Beliefs
Unless you give written permission, your child will not be given any test, questionnaire, survey, or examination containing any questions about your child’s, or his/her parents’ or guardians’ personal beliefs or practices in sex, family life, morality, or religion.

Diabetes
CSCE will provide an information sheet regarding type 2 diabetes to the parents or guardians of 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

3. A recommendation that students displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.

5. A description of the different types of diabetes screening tests available.

Free and Reduced Price Meals
CSCE participates in the National School Lunch Program. Applications for free or reduced price meals are included in the first day packets to all families and can also be obtained on the CSCE website and in the main office. All families are encouraged to complete the application form in order to include as many eligible students as possible.

Harassment, Intimidation, Discrimination and Bullying
Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students’ ability to learn and negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, CSCE prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual
or perceived characteristics of disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance or regulation.

A copy of our policy governing Harassment, Intimidation, Discrimination and Bullying is available upon request and posted as required by law.

Immunizations and Physical Examinations
To ensure a safe learning environment for all students, CSCE follows and abides by the health standards set forth by the state of California. Students will not attend school until all required records have been received. The immunization status of all students will be reviewed periodically. Those students who do not meet the State guidelines may be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the CSCE.

Procedures

The following procedures shall be used to address all complaints which allege that the Charter School has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the Charter School.

A complaint alleging unlawful discrimination, harassment, intimidation or bullying shall be initiated no later than six (6) months from the date when the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination, harassment, intimidation or bullying. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying.
Pupil fee complaints shall be filed not later than one (1) year from the date the alleged violation occurred.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, the Charter School staff shall assist him/her in the filing of the complaint.

Step 2: Mediation

Within three (3) days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the Charter School’s timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant’s refusal to provide the Charter School’s investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School’s refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may
result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the Charter School’s investigation and decision, as described in Step #5 below, within sixty (60) days of the Charter School’s receipt of the complaint.

Step 5: Final Written Decision

The Charter School’s decision shall be in writing and sent to the complainant. The Charter School’s decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:
1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant’s right to appeal the Charter School’s decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
7. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
8. For unlawful discrimination, harassment, intimidation or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of the Charter School’s expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the Charter School’s decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the Charter School’s decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the Charter School’s decision.
Upon notification by the CDE that the complainant has appealed the Charter School’s decision, the Executive Director or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which the Charter School has not taken action within sixty (60) days of the date the complaint was filed with the Charter School.

Civil Law Remedies
A complainant may pursue available civil law remedies outside of the Charter School’s complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR § 4622.
